

Under Secretary (e-Governance)

President's Secretariat Rashtrapati Bhavan  
New Delhi - 110 004

Madam/ Sir,

You may kindly forward my request to the concerned commission. During last 10 years of my humble efforts that disturb the status quo of extreme discrimination I find that various Govt. organizations of Govt. of India are self serving institutions with institutional propaganda.

Most of them believe in statistics, in most of the times, they give a citizen a diary/reference no. only.

It is the continuous philosophy of almost all the PSU/Govt departments that rights of a citizen can be sacrificed for collective intolerance/apathy/hatred of an organization.

The director of central vigilance commission (the appropriate agency that takes cognizance in the matter of abuse of public money, abuse of authority, corruption etc) directed my ex-employer to ensure that no harassment is caused to complainant (me) in any manner.

That was during April 2008.

श्री श्रीगोपाल सोनी का सक्षम प्राधिकारी की बिना पूर्व स्वीकृति के बार बार मुख्यालय छोड़ना कम्पनी के नियमों के विरुद्ध व उनका गम्भीर (grave) उल्लंघन है। जो किसी भी लोक सेवक (कम्पनी कार्मिक) से अपेक्षित नहीं है।

उपर्युक्त से यह स्पष्ट होता है कि श्री श्रीगोपाल सोनी ने अपने कर्तव्यों के प्रति ईमानदारी एवं निष्ठा नहीं बरती एवं इन्होंने एक लोक सेवक की छवि के विरुद्ध व कम्पनी हित के प्रति पूर्वाग्रह से ग्रसित होकर कार्य किया और इस तरह इन्होंने साधारण बीमा (आचरण, अनुशासन एवं अपील) नियम, 1975 यथा संशोधित के नियम 3(1) (i) (ii) (iii) (iv) का उल्लंघन किया एवं नियम 4(1), (5), (6), (7), (9), (16), (17), (20) व नियम 18(1) तथा नियम 19 के तहत कदाचार (मिसकन्डक्ट) किया।

In that time I was a public servant, presently I am only a citizen of India ,therefore, what they do, presently, is to issue a mechanical letter informing that my concerns are forwarded to chief vigilance officer and that no further action on their part is expected.

The forces of status quo never ever change.

Those who are expected to be trustees of public money and public resources act unabated with impunity as if they are owners

of public money and public resources.  
Regards,

Shri Gopal Soni

Those who have a voice of dissent in the great democracy face intolerance, Please avoid classification. I am a law abiding citizen,an honest citizen, an innocent human being and because I use citizen's access to information there are at least 3 writ petitions to secure stay orders to deprive of fundamental rights.

A culture of impunity is created when people in power break the law, escape social or legal punishment, and then continue breaking the law. Impunity allows the powerful to get away with it – to break existing laws but also to exploit legal loopholes...

During 2010-2013 those in the Public Sector Undertaking (PSU) New india Assurance company head office mumbai deliberately misread the notice(s) of the Central Information Commission (with copy to appellants ,e.g. the complainant) to attend video conference.

The complainant witnessed systematic loss of public money of approx. Rs. 10000/- to 25000/- per person to claim habitual ,uncalled for Delhi tour to embezzle public money ...

On the other hand resourceful GIPSA -NIACL officials invoke a citizen's Right to Information as corporate incarnate;. e.g. one S. S. Hira, salary No. 15287 sought information from Central Board of Direct Taxes on 13.10.2009 regarding income IT/TDS challan, trading account, Audit report etc in respect of 4 persons. On behalf of NIACL second appeal was preferred against the Central Govt. It was heard on 3.01. 2011 by Central Information Commission (Appeal No. CIC/ LS/ A/ 2010/ 001130DS) .The Chief Manager who secured iii rd party disclosure in the course of his official duty is promoted as Dy.
