Dear Wakili,

RE: CORRUPTION ATTEMPTS TO INTERFERENCE WITH COFFEE SECTOR REFORMS

Wakili;

We are aware of a plan by a section of Coffee value chain mainly Commercial Millers and Marketers to attempt frustrate the coffee reform process through our Honorable Courts by **bribing our Honorable Judges financially so as to rule against The Crops (Coffee) (General) Regulations, 2019 and nullify them in the Case Number E401 of 2021** lodged at the Nairobi Court of Appeal through a Co-operative Society known as Rwama Farmers Co-operative Society and other cases that will be lodged in other High Courts.

We are aware that the plans to have a **case lodged in Meru High Courts** is at an advanced stage and **Justice Patrick is expected to rule against The Crops (Coffee) (General) Regulations, 2019**, a ruling which will enable to Foreign owned Multinationals to continue oppressing and taking advantage of our labour.

We raise to you that the money you will be given is coffee farmers money as these marketers will simply undervalue/underpay or exaggerate milling losses of our coffee **to raise you and the judge's bribe**

Wakili, we remind you that our Hon. Justice swore in the name of **the Almighty God** to diligently serve the people and the Republic of Kenya and to impartially do Justice in accordance with the Constitution as by law established, and the laws and customs of the Republic, **without any fear, favour, bias, affection, ill-will, prejudice** or any political, religious or **other influence**. In the exercise of the judicial functions **entrusted** to you. He swore **at all times** to the best of his knowledge and ability, **protect, administer and defend this Constitution** with a view to **upholding the dignity** and the respect for the judiciary and the judicial system of Kenya and **promoting fairness, independence, competence and integrity** within it.

Sincerely.

Concerned Coffee Farmers spread across the entire Country.
